

International Conference on Petroleum and Energy Transition 2026 (ICPET 2026)

Bridging Hydrocarbons and Future of Energy

14th - 15th December 2025

Title of the Paper (Times New Roman, Bold, 14 points)

First Author¹, Second Author², Third Author^{3,*}

¹Affiliation of First Author

²Affiliation of Second Author

³Affiliation of Third Author

*Corresponding Author name, Email, Phone number

Abstract

The abstract should be 300 words, but no more than one A4 page.

Use single rows, and 1.5 line spacing with Times New Roman 12 font)

Download this document as docx file (Goto File → Download → Microsoft Word)

Note: Please underline the name of the presenting author

Other Guidelines

Please provide a concise summary of your research within a maximum of 300 words. The abstract should clearly address the following:

- Background/Problem: Briefly describe the research problem, motivation, or context.
- Objective: Clearly state the main objective or purpose of the study.
- Methodology: Briefly describe the methods, experimental approach, modeling, simulation, or analytical techniques used.
- Results: Present the key findings, quantitative results, or expected outcomes. Wherever possible, include relevant numerical results.
- Conclusion/Significance: State the main conclusion and the significance or potential application of the work.

Keywords: *At least four keywords separated by;*
